## Gospel Reflection

Here is an episode in the ministry of Jesus which will not fail to shock us. His mother and his cousins come to Capernaum in order to take charge of him, 'convinced he was out of his mind'. Is his family blind at this point? Does it realise that it is standing in the way of the Messiah and is trying to stop him from accomplishing his mission?

To understand, one must realise that the first thirty years of Jesus were passed among the common places of an ordinary life. How could they suddenly accept the fact that the one they had known at close quarters was now going around the country making exorbitant claims for himself and correcting the law and various venerable institutions? In truth, this zeal for his Father's house had nothing reasonable about it, and it was understandable that his family should feel worried. He was to disconcert his neighbours and friends more and more. In the end it would be the supreme folly, that of the Cross, into which he would draw them all. Mary and some close companions will be at Calvary: they would have needed time to accept what was happening, and even more time to understand.

The scribes cannot be excused so easily: their peremptory judgement is grave and disquieting. There is no doubt in Mark's mind: he sees it as blasphemy against the Holy Spirit, the gravity of which derives from the fact that in this case it is not just an error with regard to the person and quality of Jesus, but a positive and deliberate refusal of grace and revelation. To call the Son of God Satan is to exclude oneself from salvation.

## *The Year of Oblate Vocations 2018 to 2019*

Two hundred years ago, the Lord called Saint Eugene de Mazenod and his first companions to follow Him as Missionary Oblates. Today, He may be calling you to become a Missionary Oblate of Mary Immaculate.

*The vocation to Oblate way of life is a gift from God. But it is through our prayers, the joy and generosity of our lives and our communities that we can hear this call and decide to respond. We are inflamed by a charism that is unique and special in the Church. That is why the pastoral care of vocations is important to us.*

Our communities are open to invite, welcome and support those who wish to know the Oblate charism and deepen their vocational discernment in our religious family. *For more information, you can contact the Oblate communities near you.*

## OUR PARISH PRAYER

O God, the Creator  
and giver of all good things,  
bless our Parish and the  
Basilica of St Patrick  
and the community  
that worships here.

Inspire us to work together  
to spread your love.

Strengthen our faith and grant

us the spirit of service so that,

with your grace and the

help of Mary Immaculate

and St Eugene de Mazenod

we may glorify You,

provide for the needs of our wider

community and make ourselves holy.

We ask you this through Christ

our Lord. AMEN
